Subject - Acquisition of S No 133/1 of Tumkur Kasaba for extension of shandy maidan and town improvement

--

S No 133/1 of Tumkur Town measuring 3 acres 39 guntas with an assessment of Rs 5-1-0 was proposed to be acquired by the Municipality in the year 1944 for extending the present shandy maidan and for town improvement While correspondence for acquisition was thus started, Sri T Puttannaiya for Messers P N Murthy and Bros applied for conversion of 2 acres 15 guntas out of this land for putting up Saw Mills The Municipality which was consulted in the matter did not agree to the proposal Subsequently permission appears to have been given to him to construct temporary go-downs for the Food Department and that subsequently this permission was also cancelled The petitioner in the meantime collected materials for construction On further representations made by him and considering the loss that he was put to on account of collection of materials in pursuance of grant of permission and subsequent cancellation and of the fact that he had already laid a foundation ~~as~~ conversion of 10 guntas of land for construction of building was sanctioned by the then Deputy Commissioner on 2nd February 1948 The Municipality which has all along been urging for the entire land to be acquired, pressed for it again on 1st November 1948

On account of the repeated pressure from the Municipality,
